0 Bedroom Land located in WOKING

An excellent opportunity to acquire a freehold parcel of land in a highly sought-after residential location within West End, Woking.

Extending to approximately 0.60 acres, this relatively level and well-positioned plot benefits from vehicular access via Priest Lane and is situated within an established and affluent area. The surrounding neighbourhood is characterised by detached family homes, with recent sales in the immediate vicinity achieving in excess of £650,000–£775,000, reflecting the strong residential demand locally.

The location falls within a desirable part of Surrey Heath, known for its low crime rates, strong owner-occupier presence, and attractive semi-rural setting, making it particularly appealing for long-term investment or future development prospects.

The land may offer potential for alternative uses or residential development (subject to obtaining the necessary planning permissions and consents). Buyers are advised to make their own enquiries with the local planning authority.

Ideally positioned for connectivity, the site provides convenient access to the A322 and M3 motorway network, with nearby mainline stations including Brookwood and Bagshot offering links into London. The area is also well-served by local amenities in West End, Knaphill, and Woking town centre, alongside access to open green spaces such as Chobham Common and surrounding countryside.
